## **Disclaimer**

Bioeconomy Hub Japan 2025 will accept no liability for the safety of any participants, or for personal injury of loss, or damage to private property suffered during the symposium.

## **Media Recording**

Bioeconomy Hub Japan 2025 works together with some media and press to create a comprehensive overview of the symposium interactions and events.

Accordingly, please be advised that you may be filmed or photographed at any time (at the venue and during social events, etc.) and that any presentations you deliver (session, poster, etc.) may be recorded.

The data will be broadcast on TV and used in newspapers, magazines, and websites.
